INDUSTRIAL PARLIAMENT

Delegates from Every Southern State in Attendance at Washington.

GREAT DEMAND IN SOUTH FOR LABOR

NOTWITHSTANDING ATTEMPTS TO ADVERTISE WEST AT EXPENSE OF THIS SECTION--POSITION OF THE SOUTHERN NEGRO CLEARLY DEFINED.

By Associated Press. Washington, May 23.—The Southern Industrial Parliament, having for its object the exchange of ideas regarding the best means for directing attention to the resources, industries and climatic conditions of the South, was formally opened here to-day. Delegates were present from every Southern state.

Governor Robert B. Glenn, of North Carolina, who was chosen president, in his address alluded to the attempts to advertise the West at the expense of the South, by those declaring that in the South only the negro laborer has a chance because the negro was made an equal partner of the white. Mr. Glenn declared there was great demand for labor in the South, where the negro was given every chance he was entitled to, his children educated as are the white children, given an asylum for their afflicted and everywhere shown a merciful hand.

One line was drawn, one distinction made and that was social equality. "That," he declared, "can never be. The races are separated by the laws of eternity because the white man was never intended to be put on social equality with the negro."

He vigorously denied the charge that one of the potent reasons for the less rapid development of the South is the existence of sectionalism and hate for the negro.

Governor Glenn extended a welcome to the people from every section of this country, saying that they be given the highest chair in the guest chamber.

GOLDFIELD INSTITUTION GOES UNDER WITH ONLY \$16 IN THE VAULT--LIABILITIES \$78,227.

By Associated Press. Goldfield, Nev., May 23.—The Goldfield Bank and Trust Company with liabilities of \$78,227, has failed. The assets so far discovered are \$4,800 in notes. There was \$16 in the vault and a five-dollar gold piece was found under the counter. A disorganized state of affairs seems to exist in the bank. J. B. Young, president of the bank, is also president of the Goldfield Lida Investment Company. Two checks drawn on the John Cook Bank here by W. R. Hale, of San Francisco, each for \$5,000 in favor of Francis L. Burton, promoter of the Goldfield Lida Investment Company were recently paid by the insolvent bank. One of these checks was paid on the twenty-third. It was evidently presented at the Cook bank by the Goldfield Bank and Trust company as it is stamped "no funds." W. R. Hale having no account there.

ILLINOIS TROOPS READY TO QUELL STRIKE RIOTS

National Guard Will be Called Upon at First Indication of Violence in Chicago—Riot Cartridges Issued.

OPEN WAR FROM NOW TO THE END

Last Hope of Peace Disappeared After Conference Last Night.

STRIKE SPREADING TO LUMBER DISTRICTS, WHICH WILL VASTLY INCREASE POSSIBILITY OF RIOTING--CALL FOR TROOPS NOW IN HANDS OF GOVERNOR DENEEN.

By Associated Press. Chicago, May 23.—All prospects of peace in the teamsters' strike have disappeared and there will be open war from this time on. The express drivers' union asked for the reinstatement of all men who had not been guilty of violence. This demand was refused by the express companies and the peace conference to-night abruptly ended.

The strike is likely to spread to the lumber district to-morrow and this will vastly enlarge the possibilities for increased rioting. The lumber district is noted for the fierce mobs which marched through it during former strikes and is a place which has invariably caused more trouble than any other part of the city.

The troops which will first be ordered out if the necessity arises compose the First Brigade Illinois National Guard, commanded by Brigadier General George M. Moulton. This brigade comprises four thousand men, one negro regiment included. Riot cartridges have been received by the National Guard. These differ from the ordinary rifle bullet in that they contain three buckshot instead of one steel bullet.

Call Already Sent. The announcement was made this afternoon by Sheriff Barrett that all negotiations for a settlement of the strike were at an end. He said that the call for state troops was in the hands of Governor Deneen, and that a telegram making the call operative

FORTY-FOUR IMBECILES

Reach Chee Foo from Port Arthur En Route to Russia.

RESULT OF THE AWFUL SIEGE

PATHETIC SCENE AS CHATTERING LUNATICS MOUNTED THE DECKS OF HOSPITAL SHIP AND ENTERED CAGES FOR TRANSPORTATION TO ODESSA.

By Associated Press.

Chee Foo, May 23.—Forty-four lunatics, Russian sailors and soldiers from Port Arthur, including a violently insane lieutenant who was on the Sebastopol during the siege, arrived here to-day and were immediately transferred to a Russian improvised hospital ship, under the British flag, for transportation direct to Odessa. The party was accompanied by a former medical member of Alexieff's staff and other officers and attendants exceeding the number of patients.

The condition of the insane men varies from mild melancholia to a violent stage. The majority are suffering from hallucinations rendering them in a condition that demands an attendant for each one. The officers state that many of these cases are the result of long incarceration while sick in hospitals during the terrible siege. All cases are apparently physical wrecks.

The scene was extremely pathetic as the chattering imbeciles mounted to the decks of the steamer and entered cages which enclose the main batches and surrounding deck space provided for liberty and comfort during the passage through tropical zones.

"Gentlemen—Our attention has been called to the outrageous attacks made in the newspapers of the state upon the honor, integrity and virtue of the ladies employed at this institution. "We understand these attacks have grown out of the recent visit of a committee from Tallahassee, and we are at a loss as to how to defend ourselves.

"Not one of us were questioned relative to any matter and we consider it the most awful blow that could have been struck defenseless women. "Feeling that to remain silent under this unmerited insult is unbearable, and conscious of our innocence we demand specific charges and a thorough and complete investigation of them. We trust that womanhood is not without defenders in your respective bodies and in the name of that chivalry which our state has heretofore been able to boast.

"We plead at least to be confronted with our traducers and be given an opportunity of defense. When you realize how awful this is to us, and how helpless and weak we are, you will surely not refuse to heed our plea. "With great respect,

"Annie Campbell, Bertha Campbell, Ruby McCaskey, Fannie Cole, Lena Hawkins, Annie January, Bessie Russell, Emma Strain, Jennie Johnson, Rosalie Gregory, Kate Lewis, Lida Bowers, Emma Stallworth, Mary Fellows, Jane McIntosh, Pearl Trammell, Lee Bowers."

MERCHANTS TRUST CO.

Of New York Closed by Order of the State Bank Examiner.

CANNOT PAY DEPOSITORS

WITHOUT SERIOUSLY INVOLVING THE CAPITAL STOCK—RECEIVERS APPOINTED BY NEW YORK SUPREME COURT—STOCKS ADVANCED AFTER CLOSING.

By Associated Press.

New York, May 23.—The Merchants' Trust Company, of this city, was closed to-day by order of the state superintendent of banks because it had made loans amounting to about \$1,250,000, upon which it had not been able to realize sufficient sums to pay its depositors and save its capital from impairment.

The state bank examiner believes a sufficient sum should be realized to pay depositors in full.
